

# Milestone 2 - Group Contribution Report

**Date:** 2025-01-19 **Project:** BIN 381 Project

## Group Member Contributions

### Contributing Members

- **Llewellyn Jakobus Fourie** - Active contributor
- **Juan Oosthuizen** - Active contributor
- **Erin David Cullen** - Active contributor
- **Qhamaninande Ndlume** - Active contributor

### Non-Contributing Member

**Name:** Karl Christiaan Schmutz **Student Number:** 577511

### Documented Issues:

#### 1. Task Management System

- Did not select any tasks from the available task list
- No engagement with the project task allocation process

#### 2. Communication Failures

- Received 2 "@" messages on common group notifying about task selection: *"we need you guys to step up for milestone 2"*
- Failed to respond to group communications
- Messages remain unread as of 5 hours before submission deadline

#### 3. Code Contribution

- **0 lines of code** committed to GitHub repository
- No technical contributions to any project deliverables
- No participation in code reviews or development activities

#### 4. Team Collaboration

- Has not joined Discord server for project coordination
- No participation in group meetings or collaborative sessions

- Complete absence from all team communication channels

#### **5. Timeline**

- Non-participation spanning the entire Milestone 2 duration
- No communication regarding availability or circumstances
- No indication of intent to contribute despite multiple opportunities

## **Impact on Project**

The absence of Karl Christiaan Schmutz required other team members to redistribute workload and complete additional tasks (documentation) to meet project deliverables and deadlines.
